

Thurne

Walk Instructions:

Thurne

1. Turn left on leaving the car park and proceed along the lane until you come to a phone box opposite the staithe.
2. Just past the phone box turn left and follow the sign for the 'Weavers Way', stay on this path as it leads through some farm buildings.
3. As you leave the farm buildings, you will pass two bungalows on your right, after the bungalows, turn right into the field climbing over the stile, and follow the field edge towards the church.
4. On reaching the road, cross directly over and follow the field edge footpath in front of the church. Continuing along it as it turns left and right.
5. At the track turn left, and proceed ahead for a short distance.
6. Turn right and follow the sign for the Weavers Way. Passing through a farm.
7. At the cross track, turn right, continue ahead and passing through a metal gate head towards South Oby Dyke. At the dyke, keep to the right, passing through a small gate. Head towards the river.
8. At the river turn right and continue ahead until you come to a staithe, opposite the windpump, follow the staithe around to the other side.
9. Once on the other side of the staithe turn right onto a permissive footpath to Thurne Village, this footpath is not identified on you OS map so you will need to keep a look out for the finger sign indicating the route. Follow this footpath until you come to a gate.
10. At the gate turn left, continue along the track, passing through 'kissing gates' along the way. The path comes to an end as it passes through a 'yard' keep to the right until you come to a road.
11. At the road turn left, continue ahead, this lane passes through the centre of the village, and will lead you back to the start of the walk. The Lion Inn is on your right side.
